# Frequently Asked Questions

## **How does Easy Pay work?**

You authorize payments to be automatically deducted from your checking or savings account by completing and signing the Authorization/Application form.

## **What happens if I change banks or my account?**

No problem. Just notify us at least 4 days before your scheduled due date.

## **How often will I receive a statement?**

You will receive an initial confirmation statement showing the payment date and amount. You will not receive another statement unless your deduction amount changes by more than \$1.00, the payment date changes, or the bank/bank account number changes.

## **What if my payment date falls on a weekend or holiday?**

Your payment will be processed on your bank's next business day.

## **What happens if I don't have enough money in my account on the day my payment is due?**

If the account doesn't have adequate funds, we'll notify you and an NSF fee will be applied.

## **If I receive a regular billing statement after I sign up for Easy Pay, should I pay it?**

Yes. Normal billing activity will continue until we have completed the set-up and notified you. To keep your insurance current while we change your account to Easy Pay, you will need to pay at least the minimum due on the statement.
