About Mutual of Enumclaw

Mutual of Enumclaw was founded in 1898 by a group of local farmers who wanted to look out for each other. Our first agent, SL Sorenson, rode his horse from farmhouse to farmhouse, traveling great distances to encourage local farmers to become members. Times have changed, but the reason we're in business hasn't. Our people, and the independent agents who represent us, have deep connections to the communities we serve. Together we are proud to provide thoughtful coverage that really covers to our friends and neighbors.
