

Rental Properties

Rental Properties

Thoughtful Coverage for renters

Our Renters Policy helps protect your valuable personal items and collections.

Coverage that really covers...

Personal Liability

Financial protection against property damage or bodily injury claims made against you

Medical Payments to Others

Medical payments for guests injured on your property

Personal Property Replacement Cost

Repair or replace damaged personal property

Scheduled Personal Property

Covers personal valuables and collectibles

Loss of Use

Cost of increased living expenses when your home is not habitable

Identity Management Services

Complimentary identity management services

Thoughtful Coverage for landlords

Protect your rental property structures with our Dwelling Fire policy.

Coverage that really covers...

Physical Damage Coverage

For the dwelling and additional structures

Personal Liability

Financial protection against property damage or bodily injury claims made against you

Ordinance or Law

Covers expenses related to zoning, land-use, or building code changes

Medical Payments to Others

Medical payments for guests injured on your property

Extended Replacement Cost

Ask your agent about additional repair/replacement limits that may be available.
