

Mutual of Enumclaw: Offering Thoughtful Coverage since 1898

Mutual of Enumclaw was founded by a group of local farmers in Enumclaw, Washington, who had one simple goal: To look out for each other. As a mutual insurance company, we are owned by our members. So we work for them, not outside investors. We are proud to be represented by independent agents who have deep connections to the communities we serve.

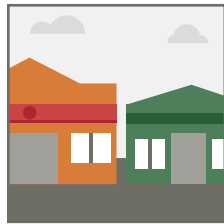

What is Thoughtful Coverage?

It's coverage that really covers. Our policies, products, and claims service are all designed to meet the needs of our members. And when a claim is made we handle it promptly, with compassion and a determination to do the right thing — the thoughtful thing — in all circumstances.

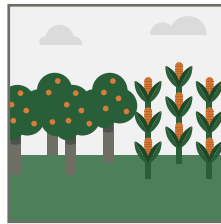

We offer coverage that really covers for:

INDIVIDUALS
AND FAMILIES

BUSINESSES

FARMS, RANCHES,
AND ORCHARDS

Recognition from our agents and our people

- For five years in a row, we've been named one of "Washington's 100 Best Companies to Work For" by *Seattle Business Magazine*.
- In 2016, Mutual of Enumclaw was recognized by ValChoice for delivering the best value service in the insurance industry in Arizona, Idaho, Oregon, Utah and Washington.
